7 Crucial Steps to Career Management

Career Management Planning Sheet

Step	Question	Your Answer
1	What's your dream job? Be specific: title, name or type of organization, your salary, etc.	
	What are you willing to sacrifice to achieve your dream job?	
3	What is the exact date that you want to begin your dream job?	
4	What are the jobs you'll need to hold before reaching your dream job? What are the dates you'll hold these jobs?	
5	What is the date that you'll begin your next job?	
6	Describe yourself in your dream job. Be as detailed as possible.
